

Resourcefulness

Name _____

Karana survives on the island because she uses many things found on the island to make what she needs. Being able to make what you need and put it to good use is called being *resourceful*. The organizer below shows some of the resources the island provides and how Karana uses them. Fill in the missing pieces. You may need to go back to the story to find some answers. One has been done for you.

<u>Resource</u>	<u>What it was used for</u>
1. <u>Cormorant feathers</u> Yucca fibers	Skirts
Wood	2. _____ Arrow shafts, bow, fire
