

What do YOU think?

Sensory/Descriptive Essay

Name _____

Pick five words from the dictionary that you've never heard of. Without reading the definition, create your own definition of what you think it could be based on the sound of the word. Draw a picture to accompany each. After you complete this assignment, go back and see if your definition matched or was close to the true meaning of the word. Note the similarities and differences.

1.

2.

3.

4.
