

# Main Characters and Supporting Characters

Name \_\_\_\_\_

*The Golden Goblet*, like any great novel, consists of both main and supporting characters. Main characters are those directly involved in the action and plot of the story. Supporting characters are those indirectly related to the story or those who do not have as large a part in the plot as a main character. Main characters are typically present throughout the whole book or at least the majority of it.

Below is a list of characters from the novel. On the left side of each name, write **M** if the character is a main character in the story or **S** if he or she is a supporting character. On the right side of the character names, write the letter of the correct description from below.
