

Story Sequencing

Name _____

Cut each event from the story along the lines. On a separate piece of paper, glue the events in order.

When Princess Elizabeth rescued Prince Ronald, he was upset that she looked like a mess. Princess Elizabeth decided she did not want to marry him after all.

Princess Elizabeth found a paper bag to wear and went to find the dragon so she could rescue Prince Ronald.

Princess Elizabeth found the dragon's cave and knocked on the door. The dragon told Princess Elizabeth to go away, but she stayed to talk to him.

Princess Elizabeth asked the dragon if it was true that he could burn up ten forests with his breath. He burnt up fifty forests and then one hundred forests.

Elizabeth was a beautiful princess who was going to marry Prince Ronald. She wore expensive clothes and lived in a big castle.

Princess Elizabeth asked the dragon if it was true that he could fly around the world in just ten seconds. He flew around the world in ten seconds and then twenty seconds.

One day, a dragon burned Princess Elizabeth's castle and clothes, and carried off Prince Ronald.

The dragon was so tired, he fell asleep and Princess Elizabeth was able to get inside his cave to rescue Prince Ronald.
