

Course Approval Request Form

Use this customized approval request form to print and share with your district or state teaching licensure authority when seeking approval for a Professional Development Institute course.

About PDI

The Professional Development Institute (PDI) has been offering quality online courses to K-12 educators for decades and providing training to teachers across the globe. Every PDI course is approved for graduate-level credit through the prestigious University of California San Diego (UCSD) Extension, ranked in the top ten universities in the United States.

UC San Diego is part of the University of California system and is accredited by the Western Association of Schools and Colleges Senior College and University Commission (WSCUC).

Every PDI course is instructor-led and includes practical strategies for immediate implementation into the classroom, opportunities to interact with the instructor and other participants, rich content, and valuable assignments. Every PDI course is approved as 3 1/3 semester units (or 5 quarter units) of graduate-level credit, equivalent to 50 training hours. Teachers must spend a minimum of three weeks in each course (consecutively, when taking multiple courses) before a final grade is released.

Course Number and Title:

26T02 / 26BXX / EDUC41450 Reading Workshop Approach in the Middle Grades

I am taking this course:

_____ for 3 1/3 semester unit of graduate level credit. Upon completion, I will receive a transcript from UC San Diego Extension.

_____ As an in-service course. I may request a PDI Grade Report to document my completion.

**This course is approved as 50 training hours, whether taken for graduate credit or in-service.*

Course Description:

Are you interested in learning the whys, whats, and hows of implementing a reader's workshop approach in your classroom? This course is designed for teachers who work with readers in grades 4-8. It details the basics of implementing a reader's workshop approach in your classroom. The course materials are based on current best-practices research. Topics addressed in the course include an overview of the workshop approach, using multiple and varied assessments, differentiation strategies, whole class, small group, and independent work teaching strategies, as well as tips and hints for record-keeping. There is also an emphasis on management and routines to help the reader's workshop run effectively and efficiently.
