### About PDI

The Professional Development Institute (PDI) has been offering quality online courses to K-12 educators for decades and providing training to teachers across the globe. Every PDI course is approved for graduate-level credit through the prestigious University of California San Diego (UCSD) Extension, ranked in the top ten universities in the United States.

UC San Diego is part of the University of California system and is accredited by the Western Association of Schools and Colleges Senior College and University Commission (WSCUC).

Every PDI course is instructor-led and includes practical strategies for immediate implementation into the classroom, opportunities to interact with the instructor and other participants, rich content, and valuable assignments. Every PDI course is approved as 3 1/3 semester units (or 5 quarter units) of graduate-level credit, equivalent to 50 training hours. Teachers must spend a minimum of three weeks in each course (consecutively, when taking multiple courses) before a final grade is released.

Course Number and Title:

**72T02 / 72AXX / EDUC41475 Focused on Phonics**

I am taking this course:

\_\_\_\_\_ for 3 1/3 semester unit of graduate level credit. Upon completion, I will receive a transcript from UC San Diego Extension.

\_\_\_\_\_ As an in-service course. I may request a PDI Grade Report to document my completion.

*\*This course is approved as 50 training hours, whether taken for graduate credit or in-service.*

Course Description:

Do your students lack basic phonics skills? This online course focuses on effective ways to teach children to decode unknown words. Phonics basics will be emphasized along with specific ways to help students who are struggling in this area. Using context clues and structural analysis as a means of decoding will also be introduced. Suggestions for teaching sight words, high frequency words, and instant words will be shared. Teachers will also learn how to use the making words and chunking strategies as well as how to implement reader's workshop and literacy stations. Teachers will gain ideas for using the language experience approach to reinforce phonics and spelling skills. The course will also focus on assessment strategies for phonics and decoding, including running records, miscue analysis, and informal reading inventories.
